

# PROGRAMME

## 4th INTERNATIONAL CONGRESS ON ENDOMETRIOSIS: ICE 2025

Saturday, 8th November, 2025

TIME (HRS)	HALL 3: B N CHAKRAVARTY HALL	HALL 4: BIMAN GHOSH HALL	HALL 5: SADHAN DUTTA HALL
09:00 - 10:00	Panel discussion 1	Panel discussion 2	Panel discussion 3
	Endo-Adeno with subfertility: First do no Harm	Conservative Surgery for Endo: When and how far?	Endo and Adeno: Choosing the Right Baton at the Right Time
	Panel Experts: Abhishek Mangeshkar and Sajal Dutta	Panel Experts: Abhinibesh Chatterjee and Siddhartha Chatterjee	Panel Experts: Hiralal Konar
	Moderators: Arun Madhab Baruah and Sujoy Dasgupta	Moderators: Bidisha Roy Chowdhury and Mayoukh Kumar Chakraborty	Moderators: Poushali Sanyal and Tulika Jha
	Panelists: Gulshan Ara Begum (Bangladesh), Hermawan Wibisono (Indonesia), Indrani Lodh, Madhab Chandra Das, Pallawi Roy, Pallavi Daga, Somajita Chakraborty and Suparna Banerjee	Panelists: Asim Kanti Adhikary, Kamal Kumar Kathar, Lahori Roy, Niladri Sen, Paulami Guha (USA), Sakshi Agarwal, Sameena Chowdhury (Bangladesh) and Shilpita Banerjee	Panelists: Arpita Das, Babita Singh, Dhruba Roy, Mohanapremila, Mohneet Walia, Nivedita Arunachalam, Samrat Chakraborty and Varsha Agarwal
10:00 - 10:50	Free Communications (Oral Presentation) Session 1	Free Communications (Oral Presentation) Session 2	Free Communications (Oral Presentation) Session 3
Five Presentations 8 min each + Overall Discussion 10 min	Chairpersons: Asok Goswami, Charles Muteshi (Kenya) and Gayathri Delanerolle (UK)	Chairpersons: Alok Basu, Anindita Sinha, Menu Singh	Chairpersons: Arup Kumar Majhi, Aindrila Basu and Tulika Jha
	Umbilical endometriosis : A case Series of the Tip of the Iceberg: <b>Annesha Dutta</b>	Endometriosis an Inflammatory Enigma: <b>Sakshi Agarwal</b>	Endometriosis Fertility Index: A Simple Score with Powerful Predictive Value After Surgery: <b>Harshini Jayakumar</b>
	A Novel use of Indocyanine Green (ICG) Dye in Robotic Adenomyomectomy to Delineate Endometrial Cavity and Avoid Intraoperative Breach: <b>Priyanshi Thakur</b>	Enhancing Precision in Bowel Endometriosis Surgery: Novel Use of Intraoperative Endorectal Ultrasound and Robotic TilePro Integration – Two Case Reports: <b>Anushka Samir Mehta</b>	Tissue inhibitor of metalloproteinase -2 (TIMP-2) as protective molecule in endometriosis: <b>Sushmita Saha</b>
	Oxytocin upregulates MMP-2 via inducing autophagy and regulating miR-34a during endometriosis progression: <b>Yasmin Begum</b>	Delay in diagnosis of endometriosis in India: Findings from the Endometriosis Clinical & Genetic Research (ECGRI) study: <b>Hrishikesh Munshi</b>	Perineal scar endometriosis - A Case study and review of literature: <b>Richa Pandey</b>
	Precision Diagnosis of Endometriosis Using Machine Learning: <b>A Ramanathan</b>	Silent Renal Loss in Endometriosis - Lessons Learnt: <b>Madhusudan Dedeepya</b>	Role of biomarkers in diagnosis of Endometriosis in suspected young women: <b>Ramanidevi Thirunavukkarasu</b>
	Aromatase Inhibitor Improves Immuno-Inflammatory Status Over GnRH Analogue In Women with Eutopic Endometrium Of Adenomyosis: A Comparative Analysis: <b>Sankalita Sarkar</b>	Comparative Efficacy of Letrozole and GnRH Agonist Pretreatment in Adenomyosis Undergoing IVF: <b>Pranab Paladhi</b>	
10:50 - 11:50	Symposium 1: Endometriosis: Pain, Pain Everywhere...	Industry Sponsored Sessions	Symposium2: Endo and Adeno: Looking into the Molecules
	Chairpersons: Amitava Mukhopadhyay, Dipak Kumar Sarkar and Naheed F Khan	Chairpersons: Anshumala Shukla, Ashma Rana and Dipankar Bhattacharya	Chairpersons: Neelika Ambesh, Susovan Banerjee and Vindya Pathiraja (Sri Lanka)
	Pathophysiology of Endometriosis Pain: <b>Subhash</b>	10:50 - 11:10: Session by La Renon:	Influence of miRNA - 34a and MMP-2 in progression of

Presentation 15 min + Discussion 3 min	<b>Chandra Biswas</b>	Iron in Endometriosis - An enigma: <b>Mandira Dasgupta</b>	endometriosis: <b>Snehasikta Swarnakar</b>
	Medical Managment of Endo Pain: <b>Nirmala Pipara</b>	<b>11:10 - 11:30: Session by Ambrosia</b> Novel Neutraceutical Products for Endometriosis: <b>Kanthi Bansal</b>	Upregulation of DEK Expression in Myoma and Adenomyosis as a Potent Prognostic Factor: <b>Anastasia Tsigkou (China)</b>
	Control of Pain - When Pills and Jabs fail: <b>Gargi Nandi</b>	<b>11:30 - 11:50: Session by Intuitive:</b> Fertility Enhancing Surgery for Endometriosis - is Robotics a Game Changer? <b>Rooma Sinha</b>	Leveraging Data Science & Novel Technologies to Develop and Implement Precision Medicine Strategies in Endometriosis: <b>Akwasi Amoako (Aus)</b>
<b>11:50 - 13:00</b>	<b>Keynote Address Session 1</b>	<b>Keynote Address Session 2</b>	<b>Keynote Address Session 3</b>
Three Keynote Address 20 min each + 10 min Felicitation	<b>Chairpersons:</b> Bharat Prasad and Gayathri Delanerolle (UK)	<b>Chairpersons:</b> Jayanta Gupta and Susanta Kumar Das	<b>Chairpersons:</b> Mayukh Roy, Pabitra Chatterjee and Poonam Singh
	Unravelling Endometriosis: Epidemiological, Clinical, and Genetic Evidence from Indian Women: <b>Rahul Gajbhiye</b>	Adenomyomectomy: Patience or Pounce? <b>Asha Rao</b>	Stepwise Diagnosis and Treatment of Endometriosis: <b>Pranab Kumar Debnath (Canada)</b>
	Endometriosis: Dilemma in Diagnosis and Management and Medicolegal Issues: <b>Sajal Dutta</b>	Uplifting the Learning Curve for Endometriosis Surgery: <b>Rekha Kurian</b>	Barrier to Endometriosis Treatment Access in LMIC: <b>Charles Muteshi (Kenya)</b>
	Newer Dimensions in Management of Endometriosis: <b>Sangeeta Rai</b>	Extrapelvic Endometriosis: <b>Arup Kumar Majhi</b>	Serum AMH Levels and Endometriosis Surgery: Unravelling the Evidence: <b>Georgios Grigoriadis (Greece)</b>
<b>13:00 - 13:30</b>	<b>E-Poster Assessment at the Lobby adjacent to Hall 4: Judges: Hiralal Konar, Sukumar Barik and Tharanga Mudalige (Sri Lanka)</b>		
<b>13:00 -14:00</b>	<b>LUNCH</b>		
	<b>HALL 3: B N CHAKRAVARTY HALL</b>	<b>HALL 4: BIMAN GHOSH HALL</b>	<b>HALL 5: SADHAN DUTTA HALL</b>
<b>14:00 - 14:40</b>	<b>Oration 2: Soudamini Memorial Oration</b>	<b>Oration 2: Transmission from Hall 3</b>	<b>Oration 2: Transmission from Hall 3</b>
Oration 30 min + Felicitation 10 min	<b>Chairpersons:</b> Basudeb Mukherjee, Manjula Rohatgi and Prometheus DasMahapatra		
	Clinical and Biomarker Predictors of Pain-related Outcome after Endometriosis Surgery: <b>Paul Yong (Canada)</b>		
<b>14:40 - 15:50</b>	<b>Keynote Address Session 4 (Plenary)</b>	<b>Keynote Address Session 4: Transmission from Hall 3</b>	<b>Keynote Address Session 4: Transmission from Hall 3</b>
Three Keynote Address 20 min each + 10 min Felicitation	<b>Chairpersons:</b> B P Chaliah and Gita Ganguly Mukherjee		
	Pathogenesis of Human Adenomyosis: Current Understanding and its Association with Infertility: <b>Khaleque Khan (Japan)</b>		
	Endometriosis and Mental health Impact: <b>Milind Shah</b>		
	Ultra Endometriotic Reaserch Vs Clinic - The Reality: <b>Pradip Kumar Mitra</b>		
<b>15:50 -16:50</b>	<b>Symposium 3: Endometriosis - Beyond Pain and Subfertility</b>	<b>Symposium 4: Endo the Invader</b>	<b>Symposium 5: Adenomyosis - Addressing at Earliest</b>

Presentation 15 min + Discussion 3 min	<b>Chairpersons:</b> Biswapati Mukherjee, Gosto Bihari Das and Kanthi Bansal	<b>Chairpersons:</b> Abhijit Mukherjee, Neha Priya and Sipra Roychowdhury	<b>Chairpersons:</b> Biswajit Dey, Yin Yin Soe (Myanmar) and Sangeeta Roy Chowdhury
	Experiences in Confrontation related to Endo & Adeno: <b>Ashma Rana (Nepal)</b>	Colorectal Endometriosis: <b>Sibnath Mondal</b>	Diagnosis and Classification of Adeno: <b>Alok Basu</b>
	Tuberculosis and Endo: An Often Overlooked Alliance: <b>Siddhartha Chatterjee</b>	Bladder Endometriosis - Robotic Excision: <b>Anupama Bahadur</b>	Medical Management of Adenomyosis: - Pills, Jabs and Beyond: <b>Parul Kotdawala</b>
	Community Based Interventions for Endometriosis Awareness and Early Care: <b>Tharanga Mudalige (Sri Lanka)</b>	Ureteric Endometriosis: <b>Bastab Ghosh</b>	UAE for Adenomyosis : <b>Shuvro Roy Choudhury</b>
16:50 - 17:10	TEA BREAK		
17:10 - 18:25	Invited Video Presentation Session 1	Panel discussion 4: Care of Endometriosis - Law and Ethics Related with the Recent Advances	Invited Video Presentation Session 2
Presentation 20 min + Discussion 5 min	<b>Chairpersons:</b> Gautam Kumar Ray, Hari Naryan Borkataky and Saktirupa Chakrabarty	<b>Moderators:</b> Mousumi De Banerjee and Bharati Misra	<b>Chairpersons:</b> Sudhir Adhikary
	Targeted Excision of Endmetriosis: <b>Paulami Guha (USA)</b>	<b>Panelists:</b> Annesha Dutta, Goutam Dutta Sharma, Kalipada Murmu, Parvin Akhter (Bangladesgh), Payel Banerjee, Rajiv Dhall, Sandip Sengupta and Sristi Mukhopadhyay	Excision of Endometriotic Cyst - The Robotic Advantage: <b>Rupashree Dasgupta</b>
	Systematic Survey for Endometriosis Clearance - Robot Assisted Excision at Surgery: <b>Anshumala Shukla</b>		SOSURE Method of Surgery in Endo: <b>Sanjoy Biswas</b>
	Dissection of Pelvic Nerves: <b>Juhi Dhanawat</b>		Complex Case of Recurrent DIE with Grade IV Adhesion and B/L Hydrosalpinx - Lap Cons Approach: <b>Ayan Mukhopadhyay</b>
18:30 Onwards	Contributory River Cruise with Dinner
